Parents, It is necessary that you complete all information for the protection of your child. In the past some of our uniforms have been returned to us so badly damaged that it was necessary to throw them away. All of us want our teams to look their best when representing our area. Therefore, a \$75 check deposit is required. The check would only be cashed if your son's uniform is returned in "unusable condition". Playing travel baseball is very expensive without the added expense of you having to purchase your child's uniform. We thank you for your understanding.
